True Craftsmanship with a Purpose

Outdoor living spaces are particularly sentimental areas of the home. For dozens of years, the County Materials team has crafted long-lasting concrete landscape products that are used and loved by families across the country. From pavers and patio stones to retaining walls and step units, we are passionate about making products that form the spaces for fun and memory making. Our team is dedicated to helping landscape professionals and homeowners create the designs of their dreams.

Finding Inspiration from Our History

Since our company was founded, County Materials' team members have dedicated our talents to producing quality products for everyday people. Our story dates back to 1946, when after World War II, members of the Sonnentag family started a business hauling sand and gravel to area farms. Soon after, concrete blocks were manufactured for local communities, using a single machine in a humble Marathon, Wisconsin garage. Through the decades, our team has tackled economic challenges, fluctuating markets and changes within the industry with the same attention to detail, craftsmanship and care.

We understand what it means to build a company of success. We believe in our team, stop at no length to produce trusted, long-lasting products, and deliver excellent service to our valued customers. Our commitment informed our company’s Vision; we stand for Success, Stability and Support. We are proud to contribute toward our customers’ dreams by helping to bring them to life, and foster a space they will enjoy for a lifetime.

We know that details matter. It’s why we designed our range of products to help build custom, comfortable, time-tested outdoor spaces. Our products are high-quality, long-lasting and manufactured to stand up to the effects of time, Mother Nature and every day wear and tear of family life. Beyond that, they are designed to beautifully complement your property and create an inviting space that makes your house a home.

Building a Lifetime of Memories

Our team understands how these spaces are really used: from the welcoming familiarity of your patio as you celebrate special occasions with friends, to the cozy, magnetic warmth of your outdoor fireplace that draws in your family on a cool late summer evening. It’s the small moments that build lifelong memories. Ultimately, that’s what motivates our team. That’s why we show up every day. We want to ensure that each of our products are made with care and precision, so our customers can continue to gather, play, entertain and relax in irresistible spaces.

We have also dedicated ourselves to the betterment of our neighborhoods, community organizations, customers and team members for over 70 years. We work diligently every day to live our values, because we believe it makes a positive impact on our products and our people. Our customers trust that when they choose County Materials, they are partnering with an experienced, dedicated team willing to go the extra mile for life-long satisfaction.
Fine aggregates and dense concrete mix provide a smooth, refined surface.

Pure color pigments and fine aggregates are blended on the surface, providing vibrant, rich and long-lasting color.

Face-mix is integrally bonded to the base, offering exceptional durability and aesthetic design.

Base concrete mix features larger aggregates for high-compressive strength.

- High-density units resist cracking and damage from freeze-thaw cycles.
- Pavers and slabs are manufactured to meet industry standards for strength and absorption.
- County Materials pavers and slabs are backed by our customer warranty.

Stunning Colors & Amazing Strength

County Materials Corporation utilizes Genesis™ Face-Mix Technology to manufacture beautifully designed pavers and slabs backed by the strength and longevity of quality concrete.

Genesis Face-Mix Technology provides more than surface beauty. Genesis ensures long-lasting color, superior strength and resistance, and unique surface textures. Our pavers and slabs repel stains and withstand everyday wear and tear.

The fine finish of these pavers features a permanent and integrally-blended layer of our high-strength concrete mix.

It’s the perfect combination of vibrant color pigments and dense surface materials.

Choose high-quality, long-lasting pavers and slabs without compromising design or aesthetics.

Each unit is designed to withstand the wear, tear, weathering and abrasion that occurs in a high-traffic area exposed to the elements. We concentrate the purest color pigments, finest aggregates, and densest concrete mix in the top surface layer of each paving stone where it is visible and matters most.

What is the significance of Genesis™? It’s provenance, a beginning, carving potential into substance. County Materials’ landscape products are designed to create a space where fond memories begin. Our team believes in offering quality products that invite our customers to spend time celebrating with friends and family in their inspiring outdoor living spaces.

County Materials’ commitment to quality derives from our talented team of people who believe in delivering unparalleled craftsmanship, attention to detail, and customer service.

Our Genesis Face-Mix Technology produces high-strength pavers and slabs with non-fading colors and natural beauty that stands the test of time. County Materials’ concrete pavers are inherently strong, and our Genesis Face-Mix Technology adds extra surface superiority to ensure customer satisfaction for years to come.
Choosing the highest quality, most reliable landscape products is the foundation on which everything else is built. We’ve made it our goal to craft the most inspiring and time-tested products and colors aimed at cultivating the atmosphere you desire for your living and entertaining spaces.

Colors are powerful tools of perception. They are used strategically in marketing, design and art to conjure very specific feelings and memories. Color communicates in strong, irreplaceable ways, sending universal messages to people from all walks of life.

Color matters. That’s why your landscape product colors should be chosen with care: color creates an experience. When we developed our palette of color options for our pavers and slabs, we chose blends that speak volumes, either bold or subtle proclamations of feelings, mood and atmosphere. Colors that inspire and encourage lingering outdoors, creating memories, sharing time with loved ones. We couldn’t let color naming be an afterthought. Giving a name to a powerful colorway expresses intangible feelings, helping to identify the reason behind design choices.

Our color names conjure feelings or experiences. Each custom mix evokes a range of emotions. We know that at the end of a long day, when you’re enjoying your outdoor space, you may not remember the specific color or product name you selected. But we hope your experience working with County Materials and our landscape products is as impactful and meaningful as possible.

NEW Colors for 2020...

Aspire
Perfect blending of heather and dark grays with flecks of reds and oranges to create a dynamic, design-forward colorway.

Intention
Gorgeous light dove gray evoking a lofty feeling of ambition.

Exalt
A time-honored cool shade of blue-gray used throughout history in classic designs.

Purpose
Bold and spicy cinnamon brown for a strong, adventurous landscape design.

Color Options – What’s in a Name?

When we began manufacturing landscape products using our Genesis™ Face-Mix Technology, we thought deeply about what it means to create a special outdoor space for your home. We considered the value of designing something from scratch and the care that goes into realizing the patio, driveway, outdoor kitchen or front entrance of your dreams.

Colors are powerful tools of perception. They are used strategically in marketing, design and art to conjure very specific feelings and memories. Color communicates in strong, irreplaceable ways, sending universal messages to people from all walks of life.

Our Distinctive Color Palette...

Haven
Natural looking chocolate brown with orange and red flecks, evoking feelings of calmness through refuge and safe harbor.

Oasis
Gorgeous sand-colored option with the feeling of an inviting beach retreat, complete with a warm ocean breeze.

Serenity
This calming rose-gray mirrors the brushstroke of colors that wash the sky during a summer sunset.

Timeless
A classic option inspired by smoky gray clouds and worn cobblestones.

Dream
A fantasy blending of gray and beige, this greige color creates a base for beautiful landscape design.

Homecoming
Welcoming ash-gray color, creating a space of calm and tranquility in your outdoor space.

Aspire
Perfect blending of heather and dark grays with flecks of reds and oranges to create a dynamic, design-forward colorway.

Purpose
Bold and spicy cinnamon brown for a strong, adventurous landscape design.

The color photos shown in this catalog were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in which having different shapes. This color or shading variation is acceptable in the industry.

COUNTY MATERIALS CORPORATION
NEW Products for 2020
Intriguing new products to help fulfill your landscape design vision...

Passageways™ Step Unit
When you want to raise the level of your landscape design, choose our newest product called the Passageways Step Unit. Featuring a natural textured face and tread, clean lines, a modular shape and larger size, installation is faster and applications are endless. Add steps to raised patios, offset living and entertaining spaces for added enticement or security, and ensure a solid and safe footing leading to front entrances, along terraced walks, and down steep slopes. No matter how you incorporate Passageways Step Units, they will step up the character and functionality of your outdoor living areas.

Vantage Pavers and Discover Pavers
are both offered in two size modules. Sizes and Textures can be mixed.

Vantage™ Pavers (Textured)
We’d like to expand your horizons in paving and introduce our newest series called Vantage Pavers. Vantage Pavers offer even more opportunities to express your personal style. Their striking surface texture evokes subtle sophistication that makes an even bigger statement about your overall project. This series is offered in two size modules; Grand Vantage Pavers are larger paving stones, and Vantage Pavers are more traditional paver sizes. Manufactured as three-piece modules, Grand Vantage and Vantage Pavers can be used alone or melded together to create one-of-a-kind installations that leave a lasting impression.

Discover™ Pavers (Smooth)
In the spirit of keeping things interesting, we’re unveiling another paver series this season called Discover Pavers. Whether it’s their modern vibe, imparted from the fine-finish smooth surface, or their simplicity of scale with two size modules, Discover Pavers are all about the details that make you stop and take notice. Grand Discover Pavers offer larger paving stone sizes, and Discover Pavers offer more traditional paver sizes. Both are three-piece modules that can be used alone or mixed and matched to maximize their impact.

This color or shading variation is acceptable in the industry.
Permeable concrete pavers are designed to allow storm water to pass through paver joints directly into the ground. Their use is proven and widely recognized by many municipalities, state agencies, shoreland and watershed districts for meeting EPA-mandated standards.

Permeable concrete paver systems help to improve water quality by capturing contaminants and suspended solids in storm water and filtering them through layers of aggregates. This also reduces the risk and severity of flooding, eliminates surface puddling and reduces the time for snow and ice removal by speeding up the melting process. Additionally, where space is at a premium, permeable concrete pavers help to maximize land use on the total building site for residential and commercial applications, typically replacing traditional retention and detention ponds.

Top 5 Reasons for Choosing Permeable Concrete Pavers

1. Increased profits: Gain a developable lot.
2. Reduction in risk associated with ponds (accidents, injuries, pests etc.).
3. Reduction in risk associated with freeze-thaw/standing water.
4. Increased curb appeal: Added aesthetic value.
5. Lower maintenance costs than traditional pavement.

County Materials is leading the industry in our commitment to storm water management by collaborating on a permeable paver test plot project in Madison, Wisconsin with the Wisconsin Department of Natural Resources and the Wisconsin Department of Transportation. Facilitated by the USGS, the test plot will enable researchers to accurately assess the effectiveness of permeable pavers in diverting and filtering storm water runoff. Learn more about this test plot and other case studies by visiting www.countymaterials.com.
Our H₂O Pro® Pavers (Permeable Paving Units) are an effective storm water management solution on site. Their 3 5/8" (80 mm) thickness withstands heavy low speed vehicular loads, making them a suitable option for driveways, walkways and parking lots.

Tapered • 12¼ x 3½ x 7½ - 9½

All units are available in Splitface and Rustic finish.

Available in the following colors and textures:

- Canyon Brown
- Graphite
- Silvertone
- Swiss Mocha
- Canyon Brown
- Silvertone

Custom color (Hickory Blend) • Splitface

The color photos shown in this catalog were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high-quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in this industry.
Our Winston® Retaining Wall System is designed with a built-in setback design to assure proper slope and quick installation.

D x H x L
(Nominal Size) • Inches

**Straight**
- Full Unit – 12 x 6 x 17½
- Corner – 12 x 6 x 8¾

After 70 years of unparalleled performance in the construction industry, Earthcore’s Isokern line has become the most trusted modular system in the world. Isokern Fireplace & Chimney components are lightweight, while retaining UL 127 and UL 103HT (respectively) listings. Consequently, Isokern Fireplace & Chimney Systems are less expensive to install than traditional masonry fireplaces. And, unlike typical metal box fireplaces or concrete systems, they are built to last forever.

- Devotion
- Enchantment
- Inspired
- Noble
- Promise
- Pure
- Stillness

Reflection Stone

INSPIRED (Reflection Stone and Reflection Grand)
Summit Stone Landscape Units’ dimensional shape and multiple unit sizes make them ideal for constructing custom outdoor living features including fireplaces and kitchens, built-in grills, seat walls, pillars and more.

Ask your Sales Representative for more information about materials needed to construct the fireplaces shown at right.

**Summit Stone Standard Fireplace**

D x H x L
(Nominal Size) • Inches
54\(\frac{3}{4}\) x 79\(\frac{3}{4}\) x 84\(\frac{3}{4}\)

**Summit Stone Corner Fireplace**

D x H x L
(Nominal Size) • Inches
82 x 79\(\frac{3}{4}\) x 104

Each size is sold on individual pallets.

**Summit Stone Double Woodbox Fireplace**

D x H x L
(Nominal Size) • Inches
54 x 79\(\frac{3}{4}\) x 141\(\frac{3}{4}\)

Fireplaces can be custom designed and built (Consult a qualified contractor/builder).

(See our Landscape Products Specifications Guide for more information)
Landscape Accessories

- Crest® Bullnose Pavers
- Landscape Step Units
- Oversize Landscape Step Units
- Wall Caps (Concrete and Natural Stone)
- Passageways Step Units (See page 8)
Crest Bullnose Pavers are the ideal finish to steps, pillars, walls, and pool copings; their applications are endless. Each paver meets concrete paver specifications and can be used as accents in driveway and walkway applications.

**D x H x L**
(Nominal Size) • Inches

6 x 2¾ x 12

Available in the following colors and textures:

- **Smooth**
- **Barrel Tumbled**

Haven | Oasis | Serenity | Timeless | Reflection | Vision

The color photos shown in this catalog were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high-quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in the industry.
Landscape Step Units smooth stepping surface provides solid and safe footing. Their size speeds up step installation time and reduces the amount of retaining wall block needed.

D x H x L (Nominal Size) • Inches

Available in the following colors:

- Charcoal
- Dark Brown
- Gray
- Sandstone

SANDSTONE
Our Oversize Landscape Step Units are manufactured with uniform heights and naturally textured surfaces, for enhanced pedestrian comfort and safety. Their larger scale also covers more square footage than alternative step options, speeding installation and reducing labor costs.

D x H x L
(Nominal Size) • Inches

25 x 6¼ x 48

Available in the following colors:

Camel  Gray  Portobello

The color photos shown in this catalog were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high-quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in the industry.
Wall Caps
FOR RETAINING WALLS and SEAT WALLS

Color options for wall caps will vary depending on the retaining wall units they are ordered with. Contact your County Materials’ representative for wall cap colors.

**D x H x L**
(Nominal Size) • Inches

**Straight Wall Cap**

- **Splitface** – 12 x 3 5/8 x 15 1/2

**CANYON BROWN** – Rustic
Warranty Information for Concrete Hardscape Products

County Materials works continuously to provide value to our customers and enhance our manufacturing capabilities, all while surpassing our high standards of excellence. We manufacture our hardscape products to meet the industry's standards. That is why we back our hardscape products with an exclusive limited Warranty.

PAVER Products Warranty

COUNTY MATERIALS CORPORATION’S CONCRETE PAVERS MEET THE REQUIREMENTS OF APPLICABLE ASTM STANDARDS. COUNTY MATERIALS WARRANTS ITS CONCRETE PAVERS AGAINST MANUFACTURING DEFECTS FOR 5 YEARS AFTER SUBSTANTIAL COMPLETION OF THE PROJECT. THIS WARRANTY IS NON-TRANSFERABLE. THIS LIMITED WARRANTY DOES NOT APPLY TO DAMAGE CAUSED BY IMPROPER STORAGE, ABRASION, OVERLOADING, OR MISUSE, SUCH AS DELAMINATION, SPLITTING, CHIPPING, OR STAINING. THIS LIMITED WARRANTY APPLIES ONLY IF THE PRODUCTS ARE INSTALLED AS DIRECTED BY THE ICPI (WWW.ICPI.ORG) AND COUNTY MATERIALS’ APPLICABLE INSTALLATION GUIDELINES. IMPROPER INSTALLATION voids this warranty, and Buyer shall bear all costs for: return of non-conforming Products, delivery of replacement Products, removal of non-conforming Products, reinstallation of conforming Products, and/or any labor charges incurred related to the Products. UNDER THIS EXCLUSIVE REMEDY, BUYER SHALL NOT RECOVER ANY OTHER COSTS FROM THE SELLER, INCLUDING BUT NOT LIMITED TO THE COSTS FOR RETURN OF NON-CONFORMING PRODUCTS, DELIVERY OF REPLACEMENT PRODUCTS, REMOVAL OF NON-CONFORMING PRODUCTS, REINSTALLATION OF REPLACEMENT PRODUCTS (OR PRODUCTS PURCHASED TO REPLACE ANY NON-CONFORMING PRODUCTS), AND/OR ANY LABOR CHARGES INCURRED RELATED TO THE PRODUCTS. NO OTHER REMEDY SHALL BE AVAILABLE TO THE SELLER. ANY CLAIM FOR INCIDENTAL AND/OR CONSEQUENTIAL DAMAGES FOR LOST PROFITS, LOST SALES, INJURY TO PROPERTY, OR ANY OTHER INCIDENTAL OR CONSEQUENTIAL LOSS IS THEREFORE BARRED PURSUANT TO THE TERMS OF THIS EXCLUSIVE REMEDY. SELLER WILL NOT BE LIABLE FOR ANY FUTURE OF PRODUCTS TO CONFORM TO THE EXCLUSIVE LIMITED WARRANTY ABOVE CAUSED BY THE UNLOADING, STORAGE, INSTALLATION, OR MAINTENANCE OF THE PRODUCTS, OR USE OF OTHER PRODUCTS/MATERIALS IN CONJUNCTION WITH THE PRODUCTS THAT NEGATIVELY IMPACT THE PRODUCT OR OTHERWISE DO NOT CONFORM WITH INDUSTRY STANDARDS. THE ABOVE LIMITATIONS DO NOT INCLUDE DAMAGES RELATED TO PERSONAL INJURY.

RETAINING WALL Products Warranty

EXCLUSIVE LIMITED WARRANTY: Seller warrants that stock Products, to the extent they are manufactured by Seller, shall be free from manufacturing defects in materials and workmanship and meet the description and specifications established in Seller’s published and internal standards (subject to reasonable variance in accordance with normal industry practice) for a period of thirty (30) days from delivery, and all other warranties are expressly disclaimed as described in the capitalized sentence below. Seller may, in its sole discretion, also rely on any generally accepted industry standards. Seller retains the right, however, to change the dimensions, composition, design, performance, color, and appearance of the Products without liability if, in Seller’s judgment, the change is non-material. Seller warrants that non-stock Products manufactured by Seller meet only those specifications and standards provided by Buyer for a period of thirty (30) days from delivery, all other warranties are expressly disclaimed as described in the capitalized sentence below, and Buyer understands that that harmful cracking or other damage may occur if the Product specifications are not properly designed. Seller does not warranty any portion of Products not manufactured by Seller but. Seller shall assign to Buyer, upon request, all assignable warranties of Seller’s suppliers related to such Products. Acceptance by Buyer of the Products constitutes confirmation that Products meet the description set forth above. THE FOREGOING WARRANTY IS IN LIEU OF, AND EXCLUDES ALL OTHER WRITTEN OR ORAL WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY, WHETHER EXPRESS OR IMPLIED BY LAW, INCLUDING THE UNIFORM COMMERCIAL CODE AS ENACTED IN THE STATE OF WISCONSIN OR ELSEWHERE. This limited warranty only applies if the Products have not been subjected to misuse, negligence, or accident and have not been unloaded, stored, installed, maintained, altered, or repaired in any manner that, in the Seller’s judgment, adversely affects the condition or operation of the Products. Furthermore, the foregoing limited warranty and the exclusive remedy below runs only in favor of the original Buyer and may not be assigned or otherwise transferred.

EXCLUSIVE REMEDY: For any loss or damage arising out of supplying Products to Buyer, or the sale, operation, or use of the Products—whether such claim is based in contract, warranty, tort (including negligence) or other grounds—BUYER’S EXCLUSIVE REMEDY IS LIMITED, at Seller’s sole discretion, to either: (1) refund by the Seller of the purchase price for any non-conforming Products sold hereunder; or (2) the repair or replacement of any non-conforming Products. UNDER THIS EXCLUSIVE REMEDY, BUYER SHALL NOT RECOVER ANY OTHER COSTS FROM THE SELLER, including but not limited to the costs for: return of non-conforming Products, delivery of replacement Products, removal of non-conforming Products, reinstallation of replacement Products (or products purchased to replace any non-conforming Products), and/or any labor charges incurred related to the Products. NO OTHER REMEDY SHALL BE AVAILABLE TO THE SELLER. ANY CLAIM FOR INCIDENTAL AND/OR CONSEQUENTIAL DAMAGES FOR LOST PROFITS, LOSSES, INJURY TO PROPERTY, OR ANY OTHER INCIDENTAL OR CONSEQUENTIAL LOSS IS THEREFORE BARRED PURSUANT TO THE TERMS OF THIS EXCLUSIVE REMEDY. SELLER WILL NOT BE LIABLE FOR ANY FUTURE OF PRODUCTS TO CONFORM TO THE EXCLUSIVE LIMITED WARRANTY ABOVE CAUSED BY THE UNLOADING, STORAGE, INSTALLATION, OR MAINTENANCE OF THE PRODUCTS, OR USE OF OTHER PRODUCTS/MATERIALS IN CONJUNCTION WITH THE PRODUCTS THAT NEGATIVELY IMPACT THE PRODUCT OR OTHERWISE DO NOT CONFORM WITH INDUSTRY STANDARDS. THE ABOVE LIMITATIONS DO NOT INCLUDE DAMAGES RELATED TO PERSONAL INJURY.

COUNTY MATERIALS CORPORATION’S CONCRETE PAVERS MEET THE REQUIREMENTS OF APPLICABLE ASTM STANDARDS.
