**STEP ONE**  
**17 Dakota Stone Tapered Units**

- Establish your leveling pad using a crushed stone material.
- Set the Dakota Stone tapered units in circular configuration as shown

**STEP TWO**  
**17 Dakota Stone Tapered Units**

- Set the second set of Dakota Stone tapered units in a circular configuration as shown.

**STEP THREE**  
**17 Dakota Stone Tapered Units**

- Set the third set of Dakota Stone tapered units in a circular configuration as shown.
- Optional: Adhere top course to course below using SRW Adhesive.

**STEP FOUR**  
**1 IX-27 Circular Fire Pit Insert**  
**1 IQ-A Grate Kit**  
**Decorative rock for top dress**

- Place the assembled Circular Fire Pit insert, with or without grate kit, into the opening on the top of your fire pit.
- Fill the bottom of the assembled fire pit with enough rock to reach the bottom of the fire pit insert. You are now ready for your first fire. Enjoy!
